

## **Welcome to the IDM image templates**

These templates are designed for you to adapt the message to your local context. You can edit the text, add your organisation's logo, or translate the content into your language.

Below are some easy, step-by-step instructions to help you edit the images.

### **INSTRUCTIONS**

#### **1. Open the templates by [clicking here](#)**

#### **2. Edit the text**

- Click on the text you want to change
- Double-click to place the cursor
- Type your translation
- Repeat on each page

Only text boxes can be edited. All design elements are locked.

#### **3. Optional: Translate automatically in Canva**

- Click Apps (left menu)
- Search for Translate
- Select your language and All pages
- Click Translate

A new version with the translated text will be created. Please review and adjust the translation if needed.

#### **4. Download for Instagram**

- Click Share → Download (top right)
- Select PNG and All pages, then click Download
